

# Tuolumne County's Fourth Suicide Prevention Task Force Summit

**SAVE THE DATE!!!!**

**Keynote Speaker:**

**Dr. Patricia A. Areán**

*Professor of Psychiatry, UC San Francisco*

Dr. Areán's research focus is on the recognition and treatment of depression in older adults. She will be speaking about her work with the IMPACT study and Problem Solving Therapy and Supportive Therapy with older adults. Her work has won national recognition with awards from American Psychological Assoc. and the National Institute of Health. Dr. Areán will also introduce the 5-year study on older-adult depression which is being conducted through Catholic Charities

**Guest Presenter:**
