

This listing was compiled by the Tuolumne County Suicide Prevention Task Force in collaboration with the Tuolumne County Behavioral Health Department and will be updated annually. This list does not imply any endorsement or recommendation of any of the therapists listed or the services they provide. In compiling this list, local therapists were contacted and invited to be included; therefore it is not comprehensive and inclusion or exclusion was a result of therapist's responses only. To be included on this list, please visit the Tuolumne County Network of Care Service Directory <http://tuolumne.networkofcare.org/nh/services/add-correct.aspx> and enter the information directly, or contact Tuolumne County Behavioral Health at (209) 533-6245.
